

Imunoglukan P4H® ACUTE!

Food supplement

Immunity¹ • Fatigue²

IMG® + Vitamin C^{1,2} + Zinc¹

1 capsule contains: IMG® 300 mg (% NRV* not stated), Vitamin C 160 mg (200% NRV*), Zinc 10 mg (100% NRV*)
*NRV – Nutrient Reference Value

Ingredients: IMG® (complex of biologically active polysaccharides consists in pleuran from *Pleurotus ostreatus* – Oyster mushroom), Calcium-L-ascorbate (Vitamin C), Zinc bisglycinate (Zinc), anti-caking agent (Magnesium stearate). The capsule is of plant origin composed of hydroxypropylmethylcellulose using permitted food colourant (Iron oxide red).

Usage: *Imunoglukan P4H® ACUTE!* is food supplement for a short-term use. IMG® in combination with vitamin C and zinc in product *Imunoglukan P4H® ACUTE!* act synergistically, i.e. the effect of these substances is supported via their mutual interaction.

IMG® is a highly purified natural substance, the complex of biologically active polysaccharides consists in pleuran isolated from *Pleurotus ostreatus* – Oyster mushroom.

Vitamin C¹ and **zinc¹** contribute to the normal function of the immune system.

Vitamin C² contributes to the reduction of tiredness and fatigue.

Vitamin C and **zinc** contribute to the protection of cells from oxidative stress.

Recommended dosage: 1 capsule a day for 5 days. The product is suitable for adults and children from 3 years of age. Capsules should be swallowed in one piece and washed down with adequate amount of water ideally on an empty stomach (½ hour before or 2 hours after meal). If necessary, the content of the capsule can be emptied on a spoon and taken this way.

Imunoglukan P4H® ACUTE! is gluten-free.

Warning: The recommended dosage must not be exceeded. People with organ transplants must not take this product. People under immunosuppressive treatment, pregnant and lactating women can use the preparation after prior consultation with a healthcare professional. Food supplements should not be used as a substitute for a varied diet. Do not take *Imunoglukan P4H® ACUTE!*, if you are sensitive to any of the product ingredients. People with zinc salts digestion issues can take the product along with a small amount of food.

Storage: Store in a dry place at 5°C to 25°C. Protect against humidity, freezing and direct sunlight. Keep out of the reach of children.
