Food supplement

Immunity¹**IMG® + Vitamin C¹ + Vitamin D¹****Zloženie Imunoglukan P4H® ProD capsules:****1 capsule contains:** IMG® 100 mg (NRV* not stated), vitamin C 100 mg (125% NRV*), vitamin D 20 µg/ 800 IU** (400% NRV*)

*NRV – Nutrition Reference Value; **IU – International Unit

Ingredients: Calcium-L-ascorbate (Vitamin C), IMG® (complex of biologically active polysaccharides consists in pleuran from *Pleurotus ostreatus* – Oyster mushroom), cholecalciferol (vitamin D), anti-caking agent (Magnesium stearate). The capsule is of plant origin composed of hydroxypropylmethylcellulose and colourant (Copper complex of chlorophyllins).**Usage:** *Imunoglukan P4H® ProD* is food supplement for long-term use. The main active ingredient of *Imunoglukan P4H® ProD* is the natural substance IMG® suitably combined with vitamin C and vitamin D. Vitamin C and Vitamin D in combination with IMG® in *Imunoglukan P4H® ProD* act synergically, i.e. the effect of these three components is supported via mutual interaction.**IMG®** is a highly purified natural substance, a complex of biologically active polysaccharides consists in pleuran isolated from *Pleurotus ostreatus* – Oyster mushroom.**¹Vitamin C** and **vitamin D** contribute to the normal function of the immune system.**Vitamin C** contributes to the reduction of tiredness and fatigue.**Vitamin C** contributes to the protection of cells from oxidative stress.**Vitamin D** contributes to the maintenance of normal bone, normal teeth and normal muscle function.**Vitamin D** has a role in the process of cell division.**Recommended dosage:** It is recommended to take 1 capsule once a day long-term (for at least 2–3 months). In periods of increased stress, an increased dose (2–3 capsules) can be taken once a day for 3–7 days. Capsules should be swallowed in one piece and washed down with adequate amount of water ideally on an empty stomach (½ hour before or 2 hours after meal). If necessary, the content of the capsule can be emptied on a spoon and taken this way.Food supplement *Imunoglukan P4H® ProD* is gluten-free.
