## **Imunoglukan P4H<sup>®</sup> capsules**

Food supplement

**Immunity<sup>1</sup>**

**IMG<sup>®</sup> + Vitamin C<sup>1</sup>**

# **Imunoglukan<sup>®</sup>** **P4H**

**1 capsule contains:** IMG<sup>®</sup> 100 mg (NRV\* not stated), Vitamin C 100 mg (125% of NRV\*).  
\*NRV – Nutrient Reference Value

**Ingredients:** Calcium-L-ascorbate (Vitamin C), IMG<sup>®</sup> (complex of biologically active polysaccharides consists in pleuran from *Pleurotus ostreatus* – Oyster mushroom), anti-caking agent (Magnesium stearate). The capsule is of plant origin composed of hydroxypropylmethylcellulose and colourant (Copper complex of chlorophyllins).

**Usage:** *Imunoglukan P4H<sup>®</sup>* is a food supplement for long-term use. The main active ingredient of *Imunoglukan P4H<sup>®</sup>* products is the natural substance IMG<sup>®</sup> suitably combined with vitamin C. Vitamin C in combination with IMG<sup>®</sup> in *Imunoglukan P4H<sup>®</sup>* products acts synergically, i.e. the effect of these two components is supported via mutual interaction.

IMG<sup>®</sup> is highly purified natural substance, the complex of biologically active polysaccharides consists in pleuran, isolated from *Pleurotus ostreatus* – Oyster mushroom.

<sup>1</sup>**Vitamin C** contributes to the normal function of the immune system.

**Vitamin C** contributes to the reduction of tiredness and fatigue.

**Vitamin C** contributes to the protection of cells from oxidative stress.

**Recommended dosage:** It is recommended to take 1 capsule once a day long-term (for at least 3 months). In periods of increased stress, an increased dose (2–3 capsules) can be taken once a day for 3–7 days or until the acute symptoms improve. Capsules should be swallowed in one piece and washed down with adequate amount of water ideally on an empty stomach (½ hour before or 2 hours after meal). If necessary, the content of the capsule can be emptied on a spoon and taken this way. Food supplement *Imunoglukan P4H<sup>®</sup>* capsules is gluten-free.

**Warning:** The recommended dosage must not be exceeded. People with organ transplants must not take this product. People under immunosuppressive treatment, pregnant and lactating women can use the preparation after prior consultation with a healthcare professional. Food supplements should not be used as a substitute for a varied diet. They are recommended for adults and children from 3 years of age.

**Storage:** Keep out of the reach of children. Store in a dry place at 5°C to 25°C, protect against humidity, freezing and direct sunlight.

**Packaging:** 30 cps

**Producer:**
