

# Imunoglukan P4H® chewable tablets

# Imunoglukan® P4H

Food supplement with sweeteners

**Immunity<sup>1</sup>**

IMG® • Zinc<sup>1</sup> • Vitamin D<sup>1</sup>

**1 tablet contains:** IMG® 50 mg (NRV\* not stated), Zinc 5 mg (50% NRV\*) and Vitamin D 10 µg / 400 IU\*\* (200% NRV\*);  
\*NRV – Nutrient Reference Value, \*\*IU – International Unit

**Ingredients:** sweetener (D-mannitol), bulking agent (D-sorbitol), IMG® (complex of biologically active polysaccharides consists in pleuran from *Pleurotus ostreatus* – Oyster mushroom), Zinc citrate (Zinc), anti-caking agents (Stearic acid and Silicone dioxide), raspberry flavor, Cholecalciferol (Vitamin D), sweetener (Sucralose).

**Usage:** *Imunoglukan P4H®* chewable tablets is food supplement for long-term usage. It contains natural IMG®, Zinc and Vitamin D.

IMG® is highly purified natural substance, a complex of biologically active polysaccharides consists in pleuran, isolated from *Pleurotus ostreatus* - Oyster mushroom.

<sup>1</sup>Zinc and Vitamin D contribute to the normal function of the immune system.

Vitamin D is needed for normal growth and development of bone in children and contributes to the maintenance of normal bones.

**Recommended dosage:** The product is suitable for children from 3 years of age and adults. It is recommended to take 1 tablet up to 25 kg of body weight and 2 tablets over 25 kg of body weight once a day long-term (for at least 3 months). The product can be taken between meals. Let the tablet dissolve in your mouth.

**Warning:** The recommended dosage must not be exceeded. People with organ transplants must not take this product. People under immunosuppressive treatment, pregnant and lactating women can use the preparation after prior consultation with a healthcare professional. Food supplements should not be used as a substitute for a varied diet. People with zinc salts digestion issues can take the product along with a small amount of food. Excessive consumption can have laxative effects.

**Storage:** Keep out of the reach of children. Store in a dry place at 15°C to 25°C, protect against humidity, freezing and direct sunlight.

**Packaging:** 30/60 tablets
