Food supplement

Immunity¹

IMG[®] + Vitamin D¹ + Probiotics + Fruktooligosaccharides + Inulin

1 capsule contains: IMG[®] 100 mg (NRV* not stated), 6.10⁹ probiotics (*Lactobacillus rhamnosus* LRH020, *Bifidobacterium animalis* subsp. *lactis* BL050, *Lactobacillus plantarum* PBS067), fructooligosaccharides 50 mg, inulin 50 mg and vitamin D 5 µg/ 200 IU** (100 % NRV*).

*NRV – Nutrition Reference Value, **IU – International Unit

Ingredients: IMG[®] (complex of biologically active polysaccharides consists in pleuran from *Pleurotus ostreatus* – Oyster mushroom), bulking agent (maltodextrin), probiotics, fruktooligosaccharides, inulin, bulking agent (corn starch), anti-caking agent (magnesium salts of fatty acids), anti-caking agent (silicone dioxide), cholecalciferol (vitamin D). Capsule is composed of hydroxypropylmethylcellulose, pektin and colourants (iron oxides and hydroxides).

Usage:

Imunoglukan P4H® SynBIO^{D+} is food supplement for long-term usage. It contains IMG[®], vitamin D, synbiotic combination of 3 bacterial cultures, fruktooligosaccharides and inulin.

IMG[®] is highly purified natural substance, the complex of biologically active polysaccharides consists in pleuran, isolated from *Pleurotus ostreatus* - Oyster mushroom.

Bacterial cultures are viable microorganisms.

Fruktooligosaccharides and **inulin** affect live bacterial cultures.

¹**Vitamin D** contributes to the normal function of the immune system.

Recommended dosage Imunoglukan P4H® SynBIO^{D+}:

1 capsule 1x a day, ideally on an empty stomach. Suitable for long-term usage. Capsules should be swallowed in one piece and washed down with adequate amount of water ideally on an empty stomach (½ hour before or 2 hours after meal). If necessary, the content of the capsule can be emptied on a spoon and taken this way.

Warnings: People with organ transplants must not take this product. People under immunosuppressive treatment can use the preparation after prior consultation with a healthcare professional. Food supplements should not be used as a substitute for a varied diet. They are recommended for adults and children from 3 years of age. The recommended dosage must not be exceeded.

Storage: Keep out of the reach of children. Store in a dry place at 5°C to 25°C, protect against humidity and direct sunlight.

Package: 30 capsules

Producer: Produced in the EU by PLEURAN, s.r.o.
